Implementation:

- Volunteers are actively encouraged to partake in school activities, and will be invited to do so.

- The school will seek to provide a variety of opportunities for volunteer participation, particularly opportunities for family members or other interested community members to be involved in classes.
- Volunteers will be provided with an appropriate induction as well as any support, professional development or instruction necessary to help them carry out their tasks at school in a confident and effective manner.
- Volunteers are required to carry out tasks in a manner consistent with school expectations, including maintenance of a professional, cooperative and confidential working environment.
- Volunteers will not be required to carry out tasks with which they are uncomfortable or untrained.
